Dear Community Member,

Friday evening and almost all day Saturday before Mother's Day in May 2007, community members and visitors to the area enjoyed the 19th Annual Beaufort Music Festival on the Beaufort waterfront, the Beaufort Historic Association grounds, and at the Maritime Museum. The festival continues growing in popularity every year. The 2007 festival achieved its success thanks to community support.

The purpose of the festival is to bring diverse and dynamic music to the citizens of eastern North Carolina free of charge for entertainment and family fun. We are planning the 2008 Beaufort Music Festival and hope that you are as excited about being part of the 20th anniversary as we are!

Some businesses prefer to hold fund-raisers to show their support. Other businesses or individuals prefer to make monetary contributions or provide needed in-kind services or products. Many individuals donate their time, energy, and effort to bring the event to the area. Think about the various ways you can show your support and determine what will work best for you. The Beaufort Music Festival depends on the community's support to keep this annual musical event thriving!

A 2008 sponsorship form is enclosed. A BIG BIG thank you for your support from the 2008 Beaufort Music Festival committee members!
